INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HOWDEN JOINERY PROPERTIES LIMITED

We have audited the financial statements of Howden Joinery Properties Limited for the 52 weeks ended 26 December 2015 which comprise the Profit and Loss Account, the Balance Sheet, and the related notes 1 to 16. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 26 December 2015 and of its loss for the 52 weeks then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Matters on which we are required to report by exception

- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

1. ACCOUNTING POLICIES

The accounting policies summarised below have all been applied consistently throughout the current and prior period.

BASIS OF PREPARATION

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards. The financial statements have also been prepared on the going concern basis as discussed in the Directors' Report.

Under Financial Reporting Standard 1 (revised 1996), the Company is exempt from the requirement to prepare a cash flow statement on the grounds that it is a wholly owned subsidiary undertaking and a consolidated cash flow statement is given in the financial statements of Howden Joinery Group Plc.

The financial statements include the undertakings for the 52 weeks ended 26 December 2015. The comparative period covers the 52 weeks ended 27 December 2014.

RENTAL INCOME

Rental income comprises income received from a licence permitting Howden Joinery Ltd to occupy properties within the ownership or leasehold of Howden Joinery Properties Ltd, and in respect of one property, the rent received under an operating lease between Howden Joinery Ltd and Howden Joinery Properties Ltd. It also includes management charges received for managing the rentals. Rental income is accrued on a time basis by reference to the agreement entered into.

FIXED ASSETS

Fixed assets are stated at cost net of accumulated depreciation and net of any provision for impairment. Depreciation is charged on freehold properties (excluding land values and payments on account, and assets in the course of construction) and long leaseholds at the rate required to write off the cost or valuation of the assets over their estimated useful life of 50 years. Short leaseholds are depreciated over the life of each individual lease.

In addition, accelerated depreciation is provided on those properties in which trading has ceased during the period in order to reduce the value of the relevant properties to the estimated recoverable amount.

TAXATION

UK Corporation tax is provided at amounts expected to be paid or recovered using tax rules and laws that have been enacted or substantially enacted by the balance sheet date.

Deferred taxation is provided on a full provision basis, without discounting, on all timing differences which have arisen but not reversed at the balance sheet date.

Except where otherwise required by accounting standards no timing differences are recognised in respect of:

(a) property revaluation surpluses where there is no commitment to sell the asset; and
(b) gains on sale of assets where those assets have been rolled over into replacement assets.

LEASED ASSETS

Expenditure under operating leases is charged to the profit and loss account on a straight-line basis over the period of the lease.
