HOWDEN JOINERY PEOPLE SERVICES LIMITED
STRATEGIC REPORT AND DIRECTORS' REPORT

STRATEGIC REPORT

The Company is a wholly owned subsidiary of Howden Joinery Group Plc, and operates as part of the Howden Joinery Group Plc group (the "Group"). The Company's principal activities are providing and managing employees for other Group companies. There have not been any significant changes in the Company's principal activities in the period under review. The directors are not aware, at the date of this report, of any likely major changes in the Company's activities in the next financial period.

The Group manages its operations on a Group basis and therefore prepares a consolidated group report and accounts, including a consolidated strategic report. Pursuant to Section 414(A) (4) of the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013, which provides that a group strategic report may give greater emphasis to the matters that are significant to the undertakings included in the consolidation when taken as a whole, the following information in relation to the Company can be found in the Group annual report on the pages listed:

• Fair review of the business	pages 12-16
• Description of the principal risks and uncertainties facing the Group and its subsidiary undertakings	pages 19-22
• Financial and non-financial KPIs	pages 15, 23-35
• Future developments	pages 5, 15
• Information about environmental matters, social, community and human rights issues	pages 23-35
• Description of business model and strategy	pages 6-12
• Information in relation to Group employees, including gender statistics, employee involvement and Group policy on the employment of disabled persons	pages 45, 54, 73-77, 91

This report is available as part of the Group's Annual Report which is available at http://www.howdenjoinerygroupplc.com/ and which does not form part of this report.

The Company did not make any political donations during the period *(2014: £nil)*.

AUDITOR

Each of the persons who is a director at the date of approval of this annual report confirms that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the director has taken all the steps he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

The confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Deloitte LLP have indicated their willingness to be reappointed for another term and will be deemed to be reappointed in accordance with s485 - 488 of the Companies Act 2006.

GOING CONCERN

After making enquiries and taking into consideration the profitability and financial position of the Company, the directors have formed a judgement, at the time of approving the financial statements, that there is a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason the directors continue to adopt the going concern basis in preparing the financial statements.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records which are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HOWDEN JOINERY PEOPLE SERVICES LIMITED

We have audited the financial statements of Howden Joinery People Services Limited for the 52 weeks ended 26 December 2015 which comprise the Profit and Loss Account, the Balance Sheet, and the related notes 1 to 13. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Directors' Responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements for 2015:

- give a true and fair view of the state of the company's affairs as at 26 December 2015 and of its profit for the 52 weeks then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

1. ACCOUNTING POLICIES

The accounting policies summarised below have all been applied consistently throughout the current and prior period.

BASIS OF PREPARATION

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards. The financial statements have been prepared on a going concern basis as discussed in the Directors and Strategic Report.

Under Financial Reporting Standard 1, the Company is exempt from the requirement to prepare a cash flow statement on the grounds that it is a wholly owned subsidiary undertaking and a consolidated cash flow statement is given in the financial statements of Howden Joinery Group Plc.

The financial statements include the undertakings for the 52 week period ended 26 December 2015, being the Saturday nearest to the Company's accounting reference date of 31 December. The comparative period covers the 52 weeks ended 27 December 2014.

TURNOVER

Turnover represents the net value of services sold to customers excluding value added tax. All turnover arises in the United Kingdom. Turnover is recognised on the provision of qualifying services.

TAXATION

UK Corporation tax is provided at amounts expected to be paid (or recovered) using tax rules and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred taxation is provided on a full provision basis, without discounting, on all timing differences which have arisen but not reversed at the balance sheet date.

PENSIONS

i) Defined benefit pension scheme:

The Company participates in its parent company's (Howden Joinery Group Plc) group retirement benefit scheme. This is a defined benefit arrangement, operating through a multi-employer defined benefit scheme. The assets and liabilities of the scheme are held separately from those of the Howden Joinery Group Plc group ("the Group"). The Company is unable to identify its share of the underlying assets and liabilities of the scheme and accordingly accounts for the scheme as if it was a defined contribution scheme. This is in line with the guidance in FRS 17 relating to group defined benefit pension schemes.

ii) Defined contribution pension scheme:

The Group operates two defined contribution schemes for its employees. For these schemes, the amount charged to the profit and loss account in respect of pension costs and other post-retirement benefits is the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments in the balance sheet.

SHARE-BASED PAYMENTS

FRS 20 has been applied to all grants of equity instruments after 7 November 2002 that were unvested as of 25 December 2005.

The Company issues equity-settled share-based payments to certain employees, based on the shares of its ultimate parent company Howden Joinery Group Plc. Equity-settled share-based payments are measured at fair value at the date of grant. The fair value determined at the grant date of the equity-settled share based payments is expensed on a straight-line basis over the vesting period, based on the Group's estimate of shares that will eventually vest.

Fair value is measured by use of either a binomial model or a Black-Scholes-based model, depending on which model most closely reflects the terms of each individual share-based payment arrangement. The expected life used in the model has been adjusted, based on management's best estimate, for the effects of non-transferability, exercise restrictions, and behavioural considerations.

2. PROFIT ON ORDINARY ACTIVITIES BEFORE TAXATION

The analysis of auditor's remuneration is as follows:	52 weeks to 26 Dec 2015 £000	52 weeks to 27 Dec 2014 £000
Fees payable to the Company's auditor for the audit of the Company's annual financial statements	**6**	6

The share-based payment reserve is distributable.

11. PENSIONS

i) Defined contribution: auto-enrolment plan

The Howden Joinery Group Plc group ("the Group") operates an auto-enrolment defined contribution scheme for employees, in line with recent UK Government legislation. Under the terms of this scheme, employees make pension contributions out of their salaries, and the Group also makes additional contributions. The Group decided to give employees the option to enter this scheme earlier than the mandatory start date, and so the auto-enrolment scheme was open to employees from November 2012 on a voluntary, opt-in, basis, although it was not mandatory to enrol employees into this scheme until July 2013.

The total cost charged to income in respect of this scheme in the current period of £0.8m (2014: £0.5m) represents the Company's contributions due and payable in respect of the period.

ii) Defined contribution: other plan

The Group operates a defined contribution scheme for its employees. The assets of this scheme are held separately from those of the Group, and are under the control of the scheme trustees. This scheme began operation during 2006.

The total cost charged to income in respect of this scheme in the current period of £0.4m (2014: £0.4m) represents the Company's contributions due and paid in respect of the period.

iii) Defined benefit plan

The Group operates a funded pension scheme which provides benefits based on the pensionable pay of participating employees. This scheme was closed to new entrants from April 2013. The assets of the scheme are held separately from those of the Group, being invested with independent fund managers.

Contributions are charged to the consolidated income statement so as to spread the cost of pensions over the employees' working lives with the Group. The present value of the defined benefit obligation, the related current service cost, and past service cost are determined by a qualified actuary using the projected unit method.

The most recent completed actuarial valuation was carried out at 5 April 2014 by the scheme actuary. The actuary advising the Group has subsequently rolled forward the results of the 5 April 2014 valuation to 26 December 2015, and has restated the results onto a basis consistent with market conditions at that date. This exercise showed a scheme deficit at 26 December 2015 of £49.2m (2014: £142.6m), before netting off the associated deferred tax asset.

The roll-forward was done according to the requirements of International Accounting Standard 19: "Employee Benefits" ("IAS 19", under which the Howden Joinery Group reports its results), rather than FRS 17 (under which this Company reports its results). However, management have no reason to believe that there would be any significant difference between a valuation under FRS17 and one under IAS 19.

The Group adopted IFRS with effect from 26 December 2004, and therefore the Group consolidated financial statements disclose pension charges, assets, and liabilities in line with IAS 19 *"Employee Benefits"*. The Group does not believe that there are any material differences between the net pension deficit and the pension charge under IAS 19, compared to under FRS17. It may therefore be useful to users of these accounts to consult the full IAS 19 disclosures given in the consolidated financial statements of Howden Joinery Group Plc.

The Company's defined benefit pension charge for the year was £19.3m *(2014: £16.7m)*. There were no outstanding contributions at the period end.

12. SHARE-BASED PAYMENTS

1) Details of each scheme
There was a charge of £690,410 *(2014: charge of £548,142)* to be recognised by the Company in respect of share-based payments during the period. The Group has various share-based payment schemes, which are all equity-settled. The main details of all schemes which existed during the period are given below.

a) Co-Investment Plan
This is a co-investment plan where each participant is permitted to invest a limited amount of shares on an annual basis for the purposes of the Plan. ***2012 award:*** 25% of the award will vest if PBT growth at the end of the 2014 financial year is at a rate of 6% p.a., based on the December 2011 accounts. 100% of the award will vest if PBT growth on the same basis is 12% or above. ***2013 award:*** 25% of the award will vest if PBT growth at the end of the 2015 financial year is at a rate of 6% p.a., based on the December 2012 accounts. 100% of the award will vest if PBT growth on the same basis is 12% or above. ***2014 award:*** 15% of the award will vest if PBT growth at the end of the 2016 financial year is at a rate of 8% p.a., based on the December 2013 accounts. 100% of the award will vest if PBT growth on the same basis is 20% or above. . ***2015 award:*** 15% of the award will vest if PBT growth at the end of the 2017 financial year is at a rate of 8% p.a., based on the December 2014 accounts. 100% of the award will vest if PBT growth on the same basis is 20% or above.

b) Executive Share Options
This was a discretionary share option plan which was granted in 2005. The options were granted with an exercise price equal to market value at the date of grant. The vesting period was three years from the date of grant with an exercise period of seven years (i.e. a total life of ten years). The performance conditions were that EPS had to grow by at least RPI + 9%. If this was achieved, the options vested fully. If this was not achieved the was no vesting.

c) ***Long Term Incentive Plan***
This is a discretionary plan under which the Group may grant different types of share award including market value and nil cost options, conditional awards of shares and restricted shares (where the employee is the owner of the shares from the date of award but subject to forfeiture). Unless otherwise specified all awards have substantially the same terms.

(i) Market value options, the vesting period for which is three years from the date of grant with an exercise period of seven years (i.e. a total life of ten years). Options will vest if cumulative PBT of £90m is achieved over the three financial years ending 2009, 2010 and 2011.

(ii) Market value options which vest after a three year period from the date of grant. 15% of the options will vest if the group achieves growth in pre-exceptional PBT equivalent to RPI over the performance period; 100% will vest if pre-exceptional PBT growth is equivalent to RPI + 8% is achieved.

(iii) Conditional Share Award - shares will vest at the end of a three year period commencing on the date of grant subject to continuing employment.

(iv) Market value options:
2011 grant: 25% of the award will vest if PBT growth at the end of the 2013 financial year is at a rate of 6% p.a., based on the December 2010 accounts. 100% of the award will vest if PBT growth on the same basis is 12% p.a. or above. **2012 grant:** 25% of the award will vest if PBT growth at the end of the 2014 financial year is at a rate of 6% p.a., based on the December 2011 accounts. 100% of the award will vest if PBT growth on the same basis is 12% p.a. or above. **2013 grant:** 25% of the award will vest if PBT growth at the end of the 2015 financial year is at a rate of 6% p.a., based on the December 2012 accounts. 100% of the award will vest if PBT growth on the same basis is 12% p.a. or above. **2014 grant:** 15% of the award will vest if PBT growth at the end of the 2016 financial year is at a rate of 8% p.a., based on the December 2013 accounts. 100% of the award will vest if PBT growth on the same basis is 20% or above.

(v) Performance share plan. This is a conditional share award. The 2015 performance conditions are as follows: if PBT growth at the end of the 2017 financial year is below 8% p.a., based on the December 2014 accounts, there will be no vesting. If PBT growth is 8% on the same basis, 15% of the award will vest. If PBT growth on the same basis is 20% or above, 100% of the award will vest. If PBT growth is between 8% and 20%, the shares will vest on a sliding scale.

12. SHARE-BASED PAYMENTS (continued)

i) Performance share plan. This is a conditional share award. The 2015 performance conditions are as follows: if PBT growth at the end of the 2017 financial year is below 8% p.a., based on the December 2014 accounts, there will be no vesting. If PBT growth is 8% on the same basis, 15% of the award will vest. If PBT growth on the same basis is 20% or above, 100% of the award will vest. If PBT growth is between 8% and 20%, the shares will vest on a sliding scale.

d) ***Share Incentive Scheme (Freeshares)***
This is an 'all-employee' share incentive plan whereby participants receive a grant of free shares in the Company. If the employees are still employed by the Group three years after the grant, then the shares vest. Dividends are paid out on the shares between award date and vesting date. There are no other performance conditions attached to these awards.

2) Movements in the period
The following tables the number of weighted average exercise price ("WAEP") of each category of share options during the period, and the movements in each category. The significance of options granted before 7 November 2002 is that they have been excluded from the FRS 20 share-bases payment charge on the basis of their grant, as allowed on adoption of FRS 20.

* During the year, 1,251 options were transferred to a fellow Group subsidiary who now has responsibility for the relevant employees.

3) Fair value of options granted

The fair value of all options granted except Sharesave is estimated on the date of grant using binomial option valuation model. Sharesave schemes are valued using Black Scholes model as they are not considered to be of such complexity that they require a binomial model. The key assumptions used in the models were:

	52 weeks to 26 December 2015	52 weeks to 27 December 2014
Dividend yield (%)	**1.8**	1.5
Expected share price volatility (%)	**N/A**	51
Historical volatility (%)	**N/A**	51
Risk-free interest rate (%)	**N/A**	2.2
Expected life of options (years)	**3.0 to 5.5**	3.0 to 6.5

Historical volatility is measured for each scheme over the period equal to the vesting period of the scheme. The figure arrived at is then used as the best estimate of expected future volatility.
